

## ARCHITECTURE STUDENT CONTEST 2025

Resilient Roots and Sustainable Shoots at Nord Isère

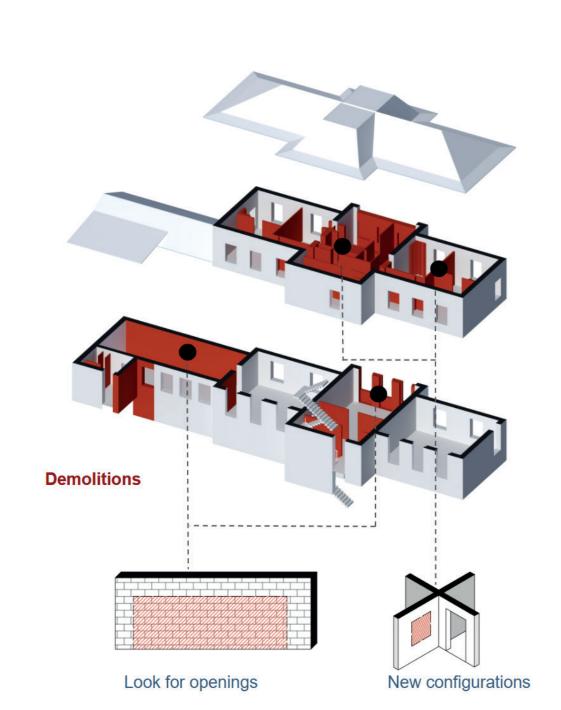

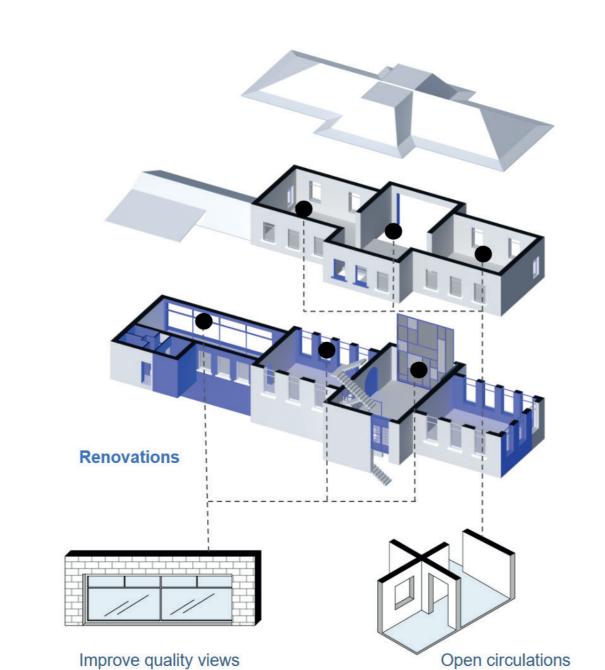

## Renovation

Inspired by the life cycle of fungi, this project reimagines Chimilin's former school as a community coworking center, while expanding Les Grands Ateliers with residences, a park, commerce, and a co-creation laboratory.

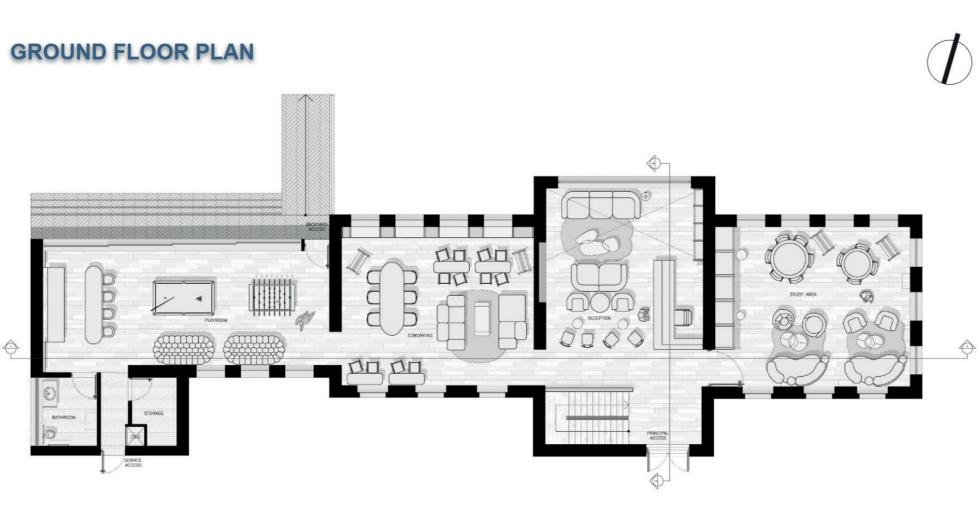

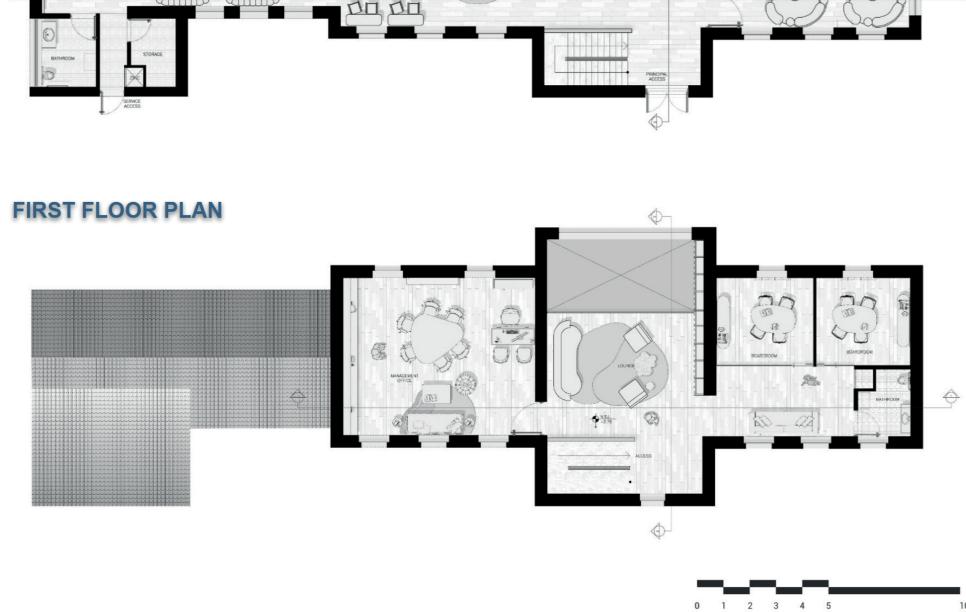

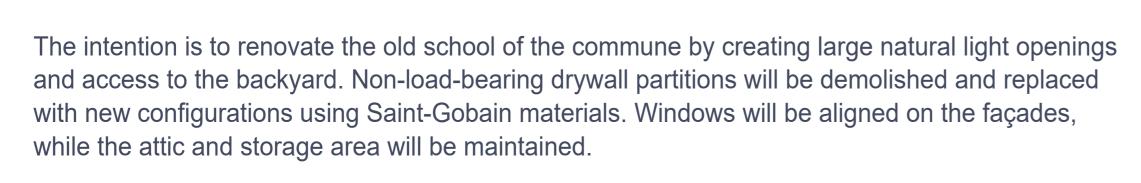

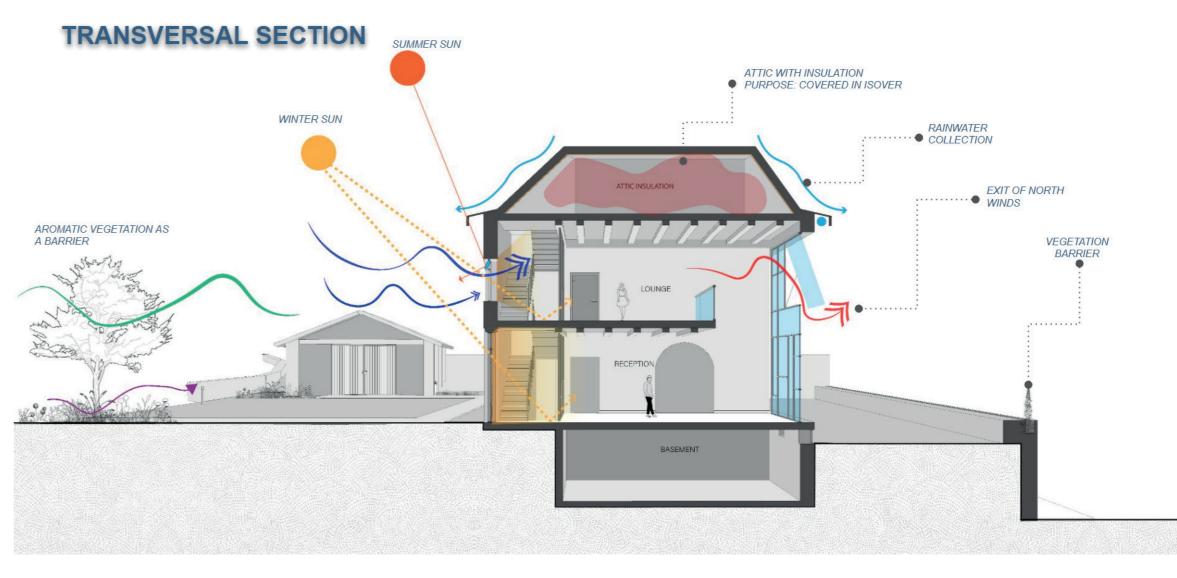

## New Construction

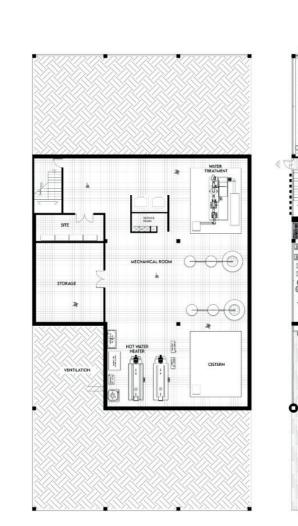

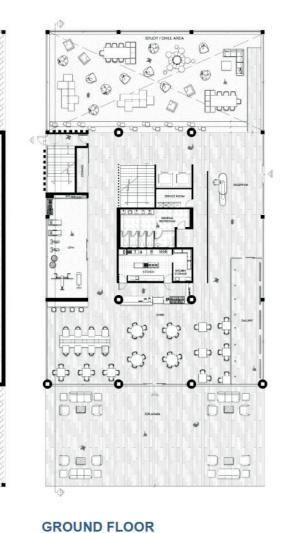

The ground floor features an open plan design dedicated to social areas.

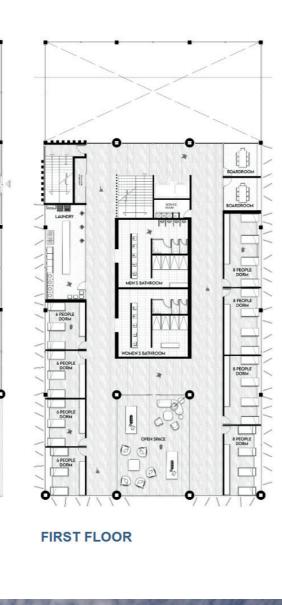

Center: block designated for service functions.

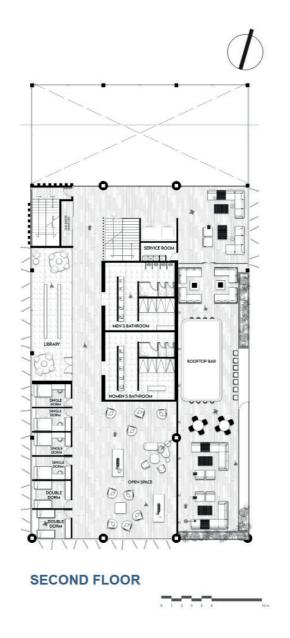

Perimeters of upper floors: reserved for private areas.

**BASEMENT FLOOR** 

The indoor courtyard serves as the hub for various activities within the laboratory,

seamlessly connecting the reception, coworking area, prototypes area, and
